

HEALTH AND THE HUMANITIES, CERTIFICATE

The humanities are about the human experience, and this certificate will give you exposure to a range of historical, cultural, and philosophical reasons why people make decisions about their health care. Everyone who comes in contact with the health care system, from health care providers to patients, needs to understand more than just the biological aspects of medicine in order to support health and wellness.

HOW TO GET IN

HOW TO GET IN CERTIFICATE DECLARATION REQUIREMENTS

- Must be enrolled in an undergraduate degree program at UW-Madison.
- Attend a certificate information session.
- Complete a Core Course with a grade of C or higher.
- Submit an application form and essay. Check our webpage (<https://ils.wisc.edu/health-and-humanities-certificate-overview/health-and-humanities-certificate-how-to-get-in/>) for details about the next application cycle.
- If selected for the program, work with the certificate advisor to declare the certificate and plan your coursework.
- Students who declare the Health and the Humanities certificate are not eligible to declare the Global Health major or the Global Health certificate.

CAPSTONE

Complete one of the following health-focused service learning course:

Code	Title	Credits
HIST SCI/ENGL/ MED HIST 525	Health and the Humanities	3
NURSING 511	Community Supports for People with Dementia	3

RP & SE 300	Individuals with Disabilities	3
DANCE 231	Introduction to Dance/Movement Therapy	3
DANCE 232	Introduction to Dynamics of Dance Therapy	3

ELECTIVE (IF NEEDED)

Complete additional coursework to reach 15 credits from any of the courses listed above or ENGL/HIST SCI/MED HIST 599 Directed Study in Health and the Humanities

RESIDENCE AND QUALITY OF WORK

- Minimum 2.000 GPA on all Certificate courses
- At least 8 Certificate credits in residence

CERTIFICATE COMPLETION REQUIREMENT

This undergraduate certificate must be completed concurrently with the student's undergraduate degree. Students cannot delay degree completion to complete the certificate.

and connect with supportive alumni and employers who open doors of opportunity.

- What you can do with your major (<https://successworks.wisc.edu/what-you-can-do-with-your-major/>) (Major Skills & Outcomes Sheets)
- Make a career advising appointment (<https://successworks.wisc.edu/make-an-appointment/>)
- Learn about internships and internship funding (<https://successworks.wisc.edu/finding-a-job-or-internship/>)
- Try "Jobs, Internships, & How to Get Them," (<https://successworks.wisc.edu/canvas/>) an interactive guide in Canvas for enrolled UW-Madison students

LEARNING OUTCOMES

LEARNING OUTCOMES

1. Identify major developments in the history of medicine and the medical profession.
2. Describe how the meaning of "health" has varied over time and space.
3. Comprehend and evaluate complex arguments about politics, values, healthcare, and health in contemporary society.
4. Understand health and illness as grounded in personal experience, develop empathy for others' experiences and use creative means to reflect on those experiences.
5. Develop sensitivity for what health means among differently positioned people (e.g., with respect to race, class, gender, culture, disability, age).

ADVISING AND CAREERS

ADVISING AND CAREERS

The certificate's academic advisor, Laura Bradley, can help you create a meaningful course plan and stay on track as you complete the certificate requirements. We recommend that you connect with Laura as early as possible to consult on a variety of topics including: applying to the certificate, course selection, exploring how certificate courses fit with Breadth and University General Education degree requirements, campus resources, and getting the most from your Wisconsin Experience.

SUCCESSWORKS

SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps you turn the academic skills learned in your classes into a fulfilling life, guiding you every step of the way to securing jobs, internships, or admission to graduate school.

Through one-on-one career advising, events, and resources, you can explore career options, build valuable internship and research experience,
